Standing shoulder to shoulder with Georgia Tech, Ohio State and the best universities in North America: our underdog strategy to win real money

WMU'S PATH TO THE TOP OF THE ECOCAR COMPETITION

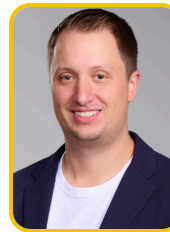

GM gave WMU a 2026 Chevrolet Blazer EV. Over four years, we'll rebuild its powertrain and teach it to drive itself. We'll go head-to-head with Georgia Tech, Ohio State and the best in North America.

SOME HIGHLIGHTS:

- \$150,000 in prize money, every year
- Our edge: self-driving, AI and a startup
- What it means for you, and how to join
